In Re: **Docket Nos. 2021-143-E & 2021-144-E:** Applications of Duke Energy Progress, LLC and Duke Energy Carolinas, LLC for Approval of Smart Saver Solar as Energy Efficiency Program

Dear Ms. Boyd:

South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, Upstate Forever, North Carolina Sustainable Energy Association, and Vote Solar (collectively, "Clean Energy Intervenors") intend to present one witness, Eddy Moore, at the virtual hearing scheduled for October 28, 2021, in the above-referenced dockets. At this time, Clean Energy Intervenors plan to present Mr. Moore's direct and surrebuttal testimony separately so that his testimony may be heard after the testimony to which he is responding. Clean Energy Intervenors do not intend to use witness panels.

Please contact me if you have any questions.

Sincerely,

/s/Emma Clancy
